Instructions for questions 41 to 45 : Read the following passage and answer the questions given below :

Instruction Manual : Mixer Grinder (Mixie)

DO'S & DON'TS

DO'S:

Motor :

1. If your mixer stops due to overload, switch off the unit, reduce the contents in the jar/remove the cause of overload and then push the reset button located at the bottom. Before starting the mixer grinder, wait for 2-3 minutes to allow the motor to cool down.
2. For long life of motor, run the mixie for short durations, pause for 3 minutes and then resume grinding instead of grinding at a stretch.

Jar:

3. Clean the jar immediately after every use:
For thorough cleaning, pour a cup of luke warm water into the jar and operate the pulse button for 10 seconds.
4. Wash Lid and Gasket after every use:
5. Before first/long term non-use, check to see if blade/shaft rotates smoothly before mounting the jar on the mixer.

DON'TS

Motor:

6. Never use the mixer on a wet surface.
7. Do not expose the mixer to heat or direct sunlight.
8. Do not run the mixie when the blade appears to be stuck/jammed/ does not rotate freely.
9. Do not let the motor housing / power cord get in contact with water or any other liquid. To clean, wipe using a damp cloth.
10. Do not run the mixie on a low voltage or during voltage fluctuations.

10. Do not run the mixie on a low voltage or during voltage fluctuations.

11. Do not clean the mixie by holding it directly under running water from a tap, or by immersing it

under water as it may damage the motor & other electrical parts in it.

12. Do not tilt or drop the mixer, as it will lead to motor failure.

13. Never load the mixer with ingredients beyond the recommended maximum level.

Jar :

14. Your mixer jar cannot substitute a storage container, so avoid storing food in the jar.

15. Do not attempt to mount or remove the jar while the motor is running.

Caution:

Please note that our warranty does not cover wear and tear, and misuse.

41. What does rule 5 of the Do's section regarding the Jar suggest ?

- to exercise caution when you use the mixie after a long time or at the first time
- to call the company to check the blades
- to mount the jar first and then use it
- to smoothly wipe the blades.

42. In the Don'ts section, regarding the Motor we are warned not to :

- leave the mixie in the storeroom
- allow children to use it
- run the mixie on a low voltage or during voltage fluctuations
- try new recipes

43. What do the words "wear and tear" means exactly, at the end of these instructions?
